You must attach the completed Step 1 Grievance that has been signed by the Warden for your Step 2 appeal to be accepted. You may not appeal to Step 2 with a Step 1 that has been returned unprocessed.

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

Im not satisfied with my step 1 response because i've filed four grievances in regards to me being stabbed while on protective custody. None of them were responded to. I was intentionally set up to get killed by an officer I almost lost my life by an inch. The maintenance lady was at my ucc commitment and she dates one of the inmates who had me stabbed everything that was said she went back and told the inmates who tried to kill me. The grievance people on Beto Retaliates against me by not responding or filing my grievance that's against the law and a violation of the 18th Amendment cruel and unusual punishment and a violation of due process. These people are so corrupt its almost unbelievable they act like criminals. They dont follow procedure they retaliate when you have a legitimate grievance or problem. They work with inmates to get you hurt. They destroy grievances and evidence. They warn inmates when you tell authority. I should not have to make copies and have my family send copies to The Department of Justice. A copy of this grievance has been sent to my mother to make more copies on goes to the department of justice one to Oscar Mendoza. This grievance was held up on camera at 12:02 and witnessed by an officer. Please do not destroy this evidence that could be used in a criminal investigation by the FBI. This is my fifth grievance on this matter none have been respond to Please for the safety of law abiding citizens

Please let this grievance go through. I have timely filed grievances since the date these incidences occurred still no response. only destroyed Paper work. Please stop oppressing me and respond to my outcry my family is also in danger they are scared. I will not stop until I get a response by any means necessary
